MOVING ON MISSION TOGETHER

AT VINIA, WE BELIEVE THAT GOD HAS CALLED US TO SOMETHING BIGGER THAN OURSELVES:

A mission to engage, develop, and empower leaders who will bear lasting fruit for His Kingdom. That's why we're launching the "Moving on Mission Together" campaign, a bold initiative to advance church planting, leader development, and community engagement. This campaign isn't just about raising funds; it's about building a foundation for lasting impact as we step forward in faith and obedience to God's call. Much like a vineyard requires careful tending to produce abundant fruit, we are depending on God to bring forth growth in this season.

When I look at the 75 million people in the 11 western states alone, I'm reminded of the incredible opportunity before us. With every leader we empower, every church we plant, we aren't just growing individual ministries—we're planting seeds that will ripple through families, communities, and generations to come. It's about creating life-changing transformation that extends far beyond our own lives.

God is inviting each of us to play a role in advancing His Kingdom. With your partnership in "Moving on Mission Together", we can make this vision a reality. Together, we can plant new churches, develop strong, kingdom-minded leaders, and serve communities in powerful ways. Together, we can accomplish more than we ever could on our own.

Will you join us in this mission?

JARED EMERSON

INTERACTIVE ARTIST

I was born in Michigan in 1979, as the youngest of one brother and two sisters. My parents were strong in their faith and raised me in a loving Christian home. At 19, I attended WOLBI for a year and decided then that I wanted to pursue the arts. I actually had my first studio at Poe Mill, and in 2006, I had the opportunity to be a part of Art Crossing in downtown Greenville, where my studio is currently located.

My art styles vary, and include charcoals, oils, acrylics, graphite, and other mixed mediums. I love to work with individuals on commission pieces, as well as live performances. My live performances range from settings such as formal conferences and expo shows to concerts, cruises, and major sporting events. I also perform at intimate wedding receptions. These, too, are painted live.

The focus of my work is to capture the essence of what I create, whether it's in a person, an object, or anything you can imagine or envision; I will capture it for you to enjoy for years and years. I come from a family of strong values, and I would describe my faith as a personal relationship with my Lord, Jesus. Christ has given me the strength to provide a level of intensity that pours onto my canvas at each event. Every stroke, every detail I do to the glory of God. If I didn't believe in what I was doing, you would be able to see it in my work.
